Forecast for Monday 16 Jan 2023

Weather: Rather cloudy through the morning with a chance for the odd light snow shower, falling as rain below 300m, but the vast majority of the park will stay dry. Clearer conditions feed in from the north through the morning, with plenty of weak sunshine through the afternoon.

Chance of cloud-free hill tops above 600m: 70% initially, becoming virtually 100% from mid-morning

Low cloud and visibility: Generally very good or excellent as clear conditions move in through the morning. Small chance to fall to poor or very poor in any light snow showers. Cloud bases early on occasionally down to 500m, clearing through the morning.
